

Doc No. : KOG26-07

Date of Issue : Aug 14, 2026

To : Overseas branches and subsidiaries, Sales Team, InBody Global CS Team

Reference : BP Manufacturing & Quality Dept, BP Sales Operations Team

Subjects : Notice of BPBIO320 & 750 CE3 Service Support Phase-Out and Last Order

[Type of Notice]

- ☐ Design Change
☐ QC/CS Letter
☐ Recommendation
☐ General Notice
☒ **End of Service**

1. We hope everything is going well with your business.

2. Purpose and Details of Notice

- Due to difficulties in securing service parts for the products and editions listed below, orders for service parts and technical support will be discontinued beginning in October 2026.

No.	Product Name	Edition	Edition Change Date
1	BPBIO320	CE3 7V	Aug 2015
2	BPBIO320	CE3 12V	Sep 2019
3	BPBIO750	CE3	Apr 2020

※ Edition Change Date: The point at which an edition was changed due to design changes and regulatory certification updates for product improvement, or when a significant number of parts were changed for product improvement, resulting in differences in parts compatibility between the previous and subsequent editions.

- A Last Order will be conducted for the following service parts related to the products scheduled for support discontinuation.

- Last Order Period: Aug 12, 2026 – Oct 1, 2026, 00:00 (UTC+9)

※ **Some parts may be depleted before the end of the Last Order period. If this occurs, a separate notice will be issued.**

3. Additional Information

- service-parts support for BPBIO320/750 CE3 products will be discontinued.
- Please refer to the attached file, "BPBIO320,750 CE3 Discontinued Support Parts," for information on the availability of replacement parts.

4. Attachment
